ADA VISITED BY BLIZZARD

Saturday's blizzard was the real article for a November affair. Citizens were going about in their shirt sleeves complaining about the heat, while the south wind blew a 2:40 gait. About 3 o'clock and without a moment's warning the wind changed to the north and blew with the same fierceness as the south wind had been coming. The thermometer had stood at 84, but according to the government thermometer in charge of W. S. Creveling, it dropped to 44 in an hour. During the night it fell to 15, a difference of 69 degrees in about ten hours.

DETAILS OF HUGO TRAGEDY

From Friday's Husonian.

Another terrible tragedy occurred at 10:30 o'clock this morning on Broadway in the Thomas building, when Dr. R. D. Love shot Dr. L. C. Rucker to death in the drug store of the latter.

In spite of the fact that there were people in the drug store and others in front of the building, the best account of the killing is obtained from Dr. Love himself.

Love entered the drug store and purchased a cigar, Dr. Rucker waiting on him. As Dr. Rucker turned his side toward Love, the latter pulled a revolver and commenced firing, six shots being fired and each of them taking effect. No word was spoken. How many of the shots struck the victim before he fell behind his own counter is not known. Two of the shots struck Rucker in the left leg, one on the left side below the lung, another on the right breast two inches from the neck, one in the right arm, and one went through his head.

The balls were all of 38 calibre, and the victim never spoke. Dr. Love turned and walked out of the building going north on Broadway. He was taken to the office of Sheriff Loftin, where he remained several minutes. A large crowd gathered in front of the Rucker store, and when it was learned the proprietor was shot down, threats of lynching were heard on all sides.

Deputy Harris took the slayer down the street to the jail within a half hour after the occurrence. At the jail The Husonian representative saw and talked to the slayer, whose reply to the query as to the cause of the shooting was:

In Defense of Family.

"I shot in defense of my family, I did only what any other man would do under similar circumstances."

Shortly after being placed in custody.

STOVES SMITH'S

203-5 W. Main St.

Dr. Love asked for a telegraph blank, and wired the following message to his brother, Jack Love, chairman of the Oklahoma state corporation commission.

"I have killed one, Dr. L. C. Rucker. Am in custody of the sheriff. Come at once.—R. D. Love."

No Quarrel Between Men.

No quarrel was ever known to have occurred between the two men, and it is absolutely certain that no word was spoken this morning. If there had been family troubles or jealousies, they had been well-guarded, as neither had ever mentioned such trouble.

Last Tuesday Dr. Love went to the home of W. N. (Bokey) Campbell, who was sick, and asked him to loan his weapon, a splendid sixshooter of 38-calibre on a 45-frame, the weapon with which he killed Rucker three days later. Campbell told Love he would be willing to loan the weapon, unless Love was in trouble with someone and the doctor replied that he had chickens out at his home and someone was disturbing them. In reply to the query as to trouble with

anyone, he responded: "Not a bit in the world."

Tragedy Causes Gossip.

The tragedy has caused much gossip and not a little display of sentiment. Little could be learned from any member of either family, all of whom are prostrated by the result of the fatal encounter between the men.

It is stated that Dr. Love asked Dr. Rucker to leave the store and that the latter refused, but this statement is neither denied or confirmed by Love.

Mrs. Love Visited Husband.

At 1:50 this afternoon Mrs. R. D. Love called at the jail to see her husband. She walked into where he was, spoke, was spoken to, and started out. As the cell door closed behind her, she fainted and had to be carried into the office. No question was asked her as to the tragedy.

At 2:00 o'clock Dr. Love made some admissions regarding the tragedy, which coincided with his statement of the morning. He claims possession of letters from the deceased man to Mrs. Love and claims that letters had passed between the two.

May Waive Examination.

It is presumed that the defense will waive a hearing, be bound over to the district court, whereupon the attorneys for the defense can go before the district judge on a habeas corpus writ and ask for bond. It is at the discretion of the jurist whether such bond be granted and as to the amount. Love is capable of giving any amount of bond within reason.

NEW FRISCO TRAIN NOW IN SERVICE

The Frisco's new train went into service Sunday morning, leaving Ada at 6 o'clock and returning at 8:35 p. m. The new train has been routed to Fayetteville, Arkansas, and by changing cars at Okmulgee, one may make connection with the new Frisco-Santa Fe limited train run from St. Louis to Los Angeles. A passenger leaving Ada on the new train, will arrive in Los Angeles in just four days.

On the other hand, the time of the train enables one to stop at any point between Ada and Muskogee and spend the day, and even gives a stay of three hours in Muskogee. Nothing could be more convenient.

Another Seed Special.

Next February the Frisco will operate a seed special for the A. & M. College, similar to the livestock special now being operated through the state. The college and railroad will assemble one of the most varied and best assorted collections of seed ever assembled for demonstration work and the lecture features will be well illustrated with practical examples. It is estimated that a judicious selection of seed for the spring planting will effect a twenty-five percent improvement in the quality and quantity of next season's harvest.

Any erroneous reflection on the character, standing or reputation of any person, firm or corporation which may appear in the columns of The News will be gladly corrected upon its being brought to the attention of the management.

Obituaries and Resolutions of Respect of less than 100 words will be published free. For all matter in excess of 100 words a charge of one cent per word will be made. Count your words and remit with manuscript.

It is quite amusing to watch the satisfaction a skin flint feels with himself when he does some little act of generosity.

After the repeated massacres of the Armenians, it sounds like a joke when Turkey protests against the barbarity of the Italians in Tripoli.

The passing of the Shawnee News into democratic hands still further reduces the dwindling number of republican papers of Oklahoma and lessens their campaign operations. At the present rate republican papers in Oklahoma will soon be as scarce as the proverbial hens' teeth. However, it seems to be the policy of the socialists to establish little sheets at every county seat, and until they are brought to realize that a paper cannot be run on hot air alone, the newspaper field of Oklahoma will be fully occupied.

If the taxpayers which to save themselves a round \$100,000 they should refuse to sign the petition for another prohibition election. That is what it costs to hold any state election, and since the people have passed on the question twice, it occurs to us that we need a rest. As we have frequently observed before, it is more hustling and less agitation that we need at present. If the prohibition law were repealed the state would be continually harassed by local option elections and the disturbances made worse instead of better. Therefore, it is our opinion that for the present at least, matters should be left as they are, and the whiskey interests given a jolt they and other disturbers will not soon forget.

A Distinction for Mrs. Tom Hope.

In the report of the Chickasha meeting of the Women's Federated Clubs appearing in the News a few days ago, it seems that the Oklahoman, from which it was taken, made it appear that some of the delegates elected from Oklahoma City to the national meeting at San Francisco, had won first honors, when as a matter of fact, the five ladies whose names appeared at the head of the list were elected only after several hours of balloting. On the first ballot only five received a majority as follows: Mrs. Roberts, Mrs. Gotchey, Mrs. Hope, Mrs. Brown and Mrs. Ralls.

Mrs. Hope has the distinction of being the only delegate to the Cincinnati meeting of last year who was nominated and elected to the next convention at San Francisco, and the fact that she was elected on the first ballot indicates her great popularity with the club women of Oklahoma.

A WARRANTY DEED IS A SNARE; A DELUSION! It often conveys absolutely a bad title. Your lawyer will tell you so. It is not a present help in time of trouble.

REASON: Should your title be unmarketable and you want to perfect it by hunting up old deeds, procuring releases; court decrees—every step will be at your expense—even though you find it impossible to sell the land or obtain a loan without taking such step.

ADVERSE CLAIMS: An adverse claim is asserted; suit is brought against you, finally you are ousted from the premises.

RESULT: You go on your vendortio. MAKE GOOD his WARRANTY if you can find him.

JUDGMENT: The law will give you only a money judgment. COLLECT IT IF YOU CAN. No lawyer's fees—nothing for entranced value of land—merely what you paid him and interest—about 6 per cent.

INDEED! Warranty deed sows the seed you reap two law suits for your money and brawn and the land is lost at last.

LAWSUIT: Placing your confidence in the man, upon his WARRANTY DEED is simply bidding for a law suit.

REMEDY: An abstract of title shows you exactly "WHERE YOU ARE AT." What you have for a title. We can protect you and help you. WRITE US, PHONE 133, OR CALL ON US: OFFICE REAR FIRST NATIONAL BANK BUILDING.

RESULT OF THE CARNIVAL CONTEST

The contests closed Saturday afternoon amid some enthusiasm. W. J. Coffman carried off the honors as being the champion ugly man of the community, he getting 371 votes against 248 for Corn, 101 for Cullins and 50 for Kiser.

In the little girls' contest the vote stood as follows: Lady Richey 2,851; Louise Hardin 1,740; Adrain Harris 836; Oma Lee Fisher 500.

The baby contest resulted in Elizabeth Thompson winning first honors with 825 votes. John Paul McKinley received 375, and Choen Lancaster 174.

The boys' bicycle contest proved the most warmly contested of all. In this Earl Miller won first place with 2,506 votes, Chisholm Barnett 2,090, and Horace Moss 636.

And something worse if you get hold of bad coal. It is certainly exasperating to be imposed upon. An oath is almost justifiable under such circumstances. But a much more sensible way would be to trade with a reliable concern and then you could always depend upon getting just what you pay for. Some people, even some coal dealers, do not know the difference between coal weight and coal value. You buy Heat from us.

Remember if you get 1500 lbs. of lump coal and 500 lbs. of slack for a ton you have really only 1500 lbs. of coal as the slack is worthless to you. We would not let you have slack if you wanted it as we need it for our boilers, so be sure and get our prices before you buy.

BARGAIN SHOES or SHOE BARGAINS

Which?

Yes, there is a difference. There are shoes that are made to sell at bargain prices—that are made of paper soles and heels, low prices, smart in design, but will not give satisfaction. This store does not handle such bargain shoes. Ours are shoe bargains, because of their wearing qualities—made by skilled workmen.

MRS. J. O. TIPTON DIES SUDDENLY

The many friends of Mrs. Nancy L. Tipton, wife of J. O. Tipton, were shocked this morning to learn that she had passed away at 1:30 a. m. Yesterday morning she was apparently in her usual health, but at 9 o'clock was seized with a chill, and it soon developed that she was suffering from congestion of the brain. She soon became unconscious and remained in this state until the end came.

The funeral services will be held at the cemetery tomorrow afternoon at 2 o'clock, and the remains interred with the honors of the Woodmen Circle, of which deceased was a faithful member.

Mrs. Tipton was about 38 years of age at the time of her death. She was a native of Tennessee and for many years was a devoted member of the Baptist church.

The News extends its sympathy to the bereaved ones in their sudden affliction.

High School Notes.

The High school basket ball team matched a game with team of Irving school Tuesday last, with a result of 16 to 15 in favor of Irving school.

The Irving football and basketball teams matched games with High school teams Friday. Both games were very interesting and ended in victories for High school teams. The result of football team was 35 to 0; and that of basketball team 5 to 2.

Our boys are doing some excellent practice, preparatory to defeating the second team of the Normal Friday week.

A very interesting program was rendered by the Athenian Literary Society Friday afternoon. Some binding changes have been made in the constitution which we hope will produce more effective work.

BEN CRAVENS BROUGHT BACK TO OKLAHOMA

Guthrie, Okla., Nov. 13.—Claiming to be Charles Maust but identified by J. H. Dunn, L. A. Lunn and J. A. Dawson as Ben Cravens, the man arrested at the gate of the Missouri penitentiary last Wednesday and charged with the murder of Alvin Bateman at Red Rock in January, 1901, was brought to Guthrie Friday morning under heavy guard and is confined in the federal jail until he shall have proven that he is not Cravens or is disposed of by conviction.

If he should prove to be Ben Cravens, as is claimed, a diligent search that has lasted for ten years will have been rewarded, and one of the most notorious outlaws ever operating in Oklahoma will have received his just dues. He also is identified by the yardmaster of the Kansas penitentiary as the convict who escaped from that jail several years ago while serving a sentence for burglary.

Cravens, or Maust is held in solitary confinement, no one is permitted to see him and all the statement he will make is that he is not Cravens.

Jury of Women Fail to Agree.

Los Angeles, Nov. 11.—Unable to agree upon anything the first woman's jury to sit in Los Angeles was discharged late today.

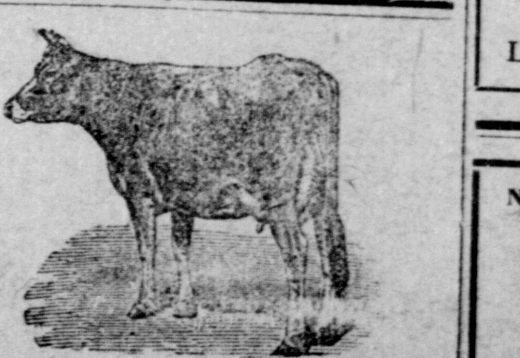

The case was that of I. H. Nagor, accused of having violated the speed ordinance and arraigned in a justice court.

After listening patiently for three hours to testimony and arguments the jury at 12:33 o'clock was notified to get ready for luncheon. Twelve different places were selected by the twelve jurors. Then two said they didn't want to go at all. Finally at 1:30 the judge ordered them to take up argument. The justice, too, lost his lunch. At five o'clock after four and a half hours deliberation the jury reported that it was unable to agree upon a verdict and the court ordered its discharge.

The recent elections seem to have given satisfaction to all parties, the democrats are tickled over holding Massachusetts, regaining Kentucky, capturing New Mexico and winning a number of notable municipal victories. The republicans say that reducing the democratic majority in Massachusetts, and capturing the legislatures of New York and New Jersey is enough to show that their party is in trim for next year's fight, while carrying half a dozen Ohio towns and one in New York brings joy to the hearts of the Socialists, and gives them some reason for celebrating Thanksgiving with cheerful countenances. As the situation is almost exactly like it was in 1891, the year preceding the last big democratic landslide, the News is well pleased with it.

Life's Blessings

For the mother in the home to be strong and well, able to devote her time and strength to the rearing of children, is one of life's greatest blessings. Often the bearing of children injures the mother's health, if she has not prepared her system in advance for the important event. Women who use Mother's Friend are saved much of the discomfort and suffering so common with expectant mothers. It is a penetrating oil that thoroughly lubricates every muscle, nerve and tendon involved at such times, and thus promotes physical comfort. It aids nature by expanding the skin and tissues and perfectly prepares the system for the coming of baby. Mother's Friend assures a quick and natural recovery for every woman who uses it. It is for sale at drug stores. Write for free book for expectant mothers.
